

# Senate Order on departmental and agency contracts – listing relating to the period 1 July 2023 – 30 June 2024

Pursuant to the Senate Order for entity contracts the following table sets out contracts entered into by the Bureau of Meteorology which provide for a consideration to the value of \$100,000 or more (GST inclusive) and which:

- a) were entered into prior to 1 July 2023, and not fully performed as at 30 June 2024; and/or
- b) have been entered into during the 2023–2024 Financial Year.

Most of the contracts listed contain confidentiality provisions of a general nature that are designed to protect the confidential information of the parties that may be obtained or generated in carrying out the contract.

The reasons for including such clauses include:

- a) ordinary commercial prudence that requires protection of trade secrets, proprietary information and the like; and/or
- b) protection of other Commonwealth material and personal information.

Procurement contracts are available through the Senate Order Report located on the AusTender website, [www.tenders.gov.au](http://www.tenders.gov.au).
